

# SmartBone

The Next Frontier of Bone Regeneration

## Price & Way to Order SmartBone on demand™.

### What is SmartBone on demand™?

SmartBone® On Demand™ is a service provided by ANPA MEDICAL SUPPLIES DMCC & Industrie Biomediche Insubri SA according to the 93/42/CEE Legislation regarding custom-made medical devices.

#### Step #1

Take a CT scan of the patient

#### Step #2

Send the CT scan of the patient in DICOM format by ordering to ANPA MEDICAL SUPPLIES DMCC.

1. Go to: [www.anpamedical.com](http://www.anpamedical.com)
2. Click at "Guides and AxisGuide sign in" to register for the first time or login with your email and password
3. Select #5 "SmartBone on demand"

#### Step #3

1. Validate the graft design
2. Sign the consent form
3. Make payment online
4. Receive your graft in 3 to 4 weeks and do your surgery.

### Price depends on the size of the graft.

1. Graft design by ANPA MEDICAL SUPPLIES DMCC  
AED 1,000
2. Graft fabrication (3 to 4 weeks) by IBI: up to 2cc,  
AED 2,400 and AED 500 more for each one CC more.
3. International delivery AED 250

Full price for a less than 2cc graft:  $1,000 + 2,400 + 250 =$   
AED 3,650
